

ASSIGNMENT

The screenshot shows the 'ASSIGNMENT' page of the Quality Assurance Center. The header includes the university logo, name, and a search bar. The left sidebar has links for Dashboard, Assignment, Evaluation, and Events. The main content area is titled 'Accreditation Assignment' and contains a table with the following data:

Campus	College	Program	Level	Action	Status
Sta. Mesa, Manila	CCIS	Bachelor of Science in Information Technology	Level I	Accepted	In progress
Sta. Mesa, Manila	CCIS	Bachelor of Science in Computer Science	Level I	Accepted	In progress

All of the accepted programs should automatically go to the Evaluations tab.

EVALUATIONS / ACCREDITATION

The screenshot shows the 'EVALUATIONS / ACCREDITATION' page. The header and sidebar are consistent with the previous page. The main content area is titled 'Evaluation Summary' and displays four statistics:

- ASSIGNED: 2 (As of September 2026)
- PENDING: 0 (As of September 2026)
- COMPLETED: 0 (As of September 2026)
- DUE THIS MONTH: 0 (As of September 2026)

Below the summary is a section titled 'Accreditation Requirements' with a progress bar at 3% and a 'Back to Programs' link. It lists ten areas for evaluation:

- Area I - VMGO
- Area II - Faculty
- Area III - Curriculum & Instruction
- Area IV - Support to Students
- Area V - Research
- Area VI - Extension & Community Involvement
- Area VII - Library
- Area VIII - Physical Plant & Facilities
- Area IX - Laboratories
- Area X - Administration

At the bottom right of the requirements section are 'Return' and 'Approve' buttons.

The files that have been submitted by the program should be able to be seen here in each type of document.

Once the “Return” button is clicked, it will ask for confirmation and the system is supposed to ask for the reason why it is returned.

The image shows two side-by-side modal forms. The left form is titled 'Reject Confirmation' and asks 'Are you sure you want to reject this document?'. It has 'Cancel' and 'Reject' buttons. The right form is titled 'Return Note' and has a text input field with the placeholder 'Fix Area I'. It has 'Cancel' and 'Send' buttons.

Once the “Approved” button is clicked, the confirmation popup should show and if it approves, it will go to the next page.

The screenshot displays the Quality Assurance Center dashboard. The top header includes the Polytechnic University of the Philippines logo and the text 'QUALITY ASSURANCE CENTER'. The user's profile, 'Surname, Given Name M.I. Position', is in the top right. The left sidebar contains navigation links: Dashboard, Assignment, Evaluation (highlighted), and Events. The main content area features an 'Evaluation Summary' section with four cards: ASSIGNED (2), PENDING (2), COMPLETED (0), and DUE THIS MONTH (0), all dated 'As of September 2029'. Below this is a breadcrumb trail 'Programs > Requirements' and a section titled 'Accreditation Requirements' with a 'Back to Programs' link. This section lists ten areas (I-X) with right-pointing arrows. An 'Evaluate' button is located at the bottom right of the accreditation requirements list.

ASSIGNED	PENDING	COMPLETED	DUE THIS MONTH
2	2	0	0
As of September 2029	As of September 2029	As of September 2029	As of September 2029

Programs > Requirements

Accreditation Requirements [Back to Programs](#)

Area I - VMGO	>	AREA VI - Extension & Community Involvement	>
Area II - Faculty	>	Area VII - Library	>
Area III - Curriculum & Instruction	>	Area VIII - Physical Plant & Facilities	>

[Cancel](#) [Evaluate](#)

Everything that will be inputted by the two assigned accreditors here should be automatically saved so that they will both see their progress on the evaluation.

Once the Internal Accreditors are done filling out the form, the system will make it turn into PDF file and the format is like this:

Level I - Level II: [W IA EVALUATION SHEET-LEVEL-1-LEVEL-2.docx](#)

Level III: [W IA EVALUATION SHEET-UNDERGRAD.docx](#)

Level IV: [W IA EVALUATION SHEET-LEVEL-4.docx](#)

The signature that is saved to the internal accreditors account will automatically be put at the bottom part of the survey. At the “Evaluated by:” and signature over printed name under the Internal Quality Assurance Champion.
